THANK YOU FROM WH SECURITY!

During the Thanksgiving holiday, we want to say thank you and we truly value your business. We know you have a choice when it comes to home security and we'd like to thank you for trusting us with your home security needs.

Whether you are a new customer or have been with us since 1989, we appreciate your business and hope you will recommend our service to your friends, family, and business associates.

SMOKE SENSORS

PROTECT YOUR HOME WHEN YOU ARE HOME AND AWAY

As the season changes, many people are busy cooking and baking for the holidays. Unfortunately, 49 percent of home fires are caused by cooking. Smoke sensors, when professionally monitored, can help prevent the devastation and cost of a fire.

Here are some tips to prevent fires in your home from the National Fire Protection Association:

- Stay in the kitchen while grilling, boiling, broiling, or frying food.
- Check on your food regularly while simmering, baking, or roasting food. Set a timer to remind yourself to check on them.
- Keep flammables like towels, oven mitts, wood cooking utensils, and food packaging away from your cooktop.
- Don't cook if you are sleepy.

WH Security has professionally monitored smoke sensors that will detect smoke and alert our 24/7 monitoring center so action can be taken, whether you are home or away. For more information, call us at 763.477.3664 or visit our website at wh-security.com.

UNIQUE ACTIVITIES TO KEEP BUSY THIS WINTER

WAYZATA CHILI OPEN

Each year, the Wayzata Chili Open draws thousands of Minnesotans to Lake Minnetonka for ice golfing, ice skating, snowga (snow yoga), live music, a chili cookoff and more. This event runs February 10-11, 2023.

FAT BIKING

Looking for a new way to enjoy bike trails in the winter? Try fat biking! Fat bikes are unique because they are designed to be ridden on snow. You can rent them from Tonka Cycle and Ski then head over to the Luce Line trailhead only a 10-minute drive away. Or, escape to the beautiful woods of Elm Creek Park and ride on their 10.5 miles of fat-bike trails.

SEE A FROZEN WATERFALL

Minnesota has many waterfalls and when the cold air arrives, they turn into beautiful ice sculptures. Here are some of the nearby waterfalls that are worth the trip:

- Gooseberry Falls
- Hidden Falls in St. Paul
- High Falls of the Pigeon River
- Devil's Kettle Falls
- Temperance River Falls

WALK A LLAMA

Head over to Carlson's Loveable Llamas in Waconia for a farm visit where you can lead, pet, and hike with a llama. You can also brush and feed treats to them. <https://bit.ly/cllamas>

ICE MAZE

The Ice Palace Maze in Stillwater is the largest ice maze in Minnesota. It surrounded by a 10' perimeter wall, it has ½ mile of twisty passages, and a huge ice slide inside. Warm up with hot chocolate and s'mores or visit the ice bar. <https://icepalacemaze.com/>

INDOOR FOOD TRUCK PARK

Seventh Street Truck Park offers a variety of food trucks including chicken and waffles, pulled pork sandwiches, loaded mac and cheese, pizza, and tacos. Dance along the different food options with a DJ or live music Thursday - Saturday. <https://www.truckparkusa.com/>

OUTDOOR AED'S BROUGHT TO CENTRAL MINNESOTA THROUGH PARTNERSHIP

Many WH Security systems are monitored 24/7 by WHIRC from Rockford, MN. Recently, WHIRC began partnering with Advocates for Health to bring Outdoor Automated External Defibrillator (AED) Smart Monitored Cabinets to central Minnesota in locations where they aren't usually available. If an AED is used within one minute of a cardiac event, the person has a 90% chance of survival.

WHIRC uses the latest technology to monitor:

- Cellular connection
- Power
- Temperature
- Door opening/closing

If the AED is removed from the cabinet WHIRC will receive a signal when the AED is removed and then call 911 dispatch. They also send automated text messages to nearby residents or business owners who are on the "neighborhood watch team" to provide help while waiting for paramedics to arrive. We are proud to have security systems monitored by WHIRC and of their care for the greater Minnesota community.
